HERITAGE
EL CLÁSICO DEL SIGLO XXI

Tras ejercer 20 años como decoradora de interiores, en 1994, *Maria José Guinot* emprendió, junto a sus dos hijos, la aventura de crear la firma **Colección Alexandra**, para diseñar y fabricar, sin cánones preestablecidos, su propia colección de muebles.

Colección Alexandra es una empresa española, moderna y dinámica que, lejos de los criterios del fabricante tradicional de muebles, crea piezas exclusivas y artesanales, lo cual les otorga un carácter personalizado desde la perspectiva del decorador. Por ello no limita su colección al diseño de muebles, sino que su proyecto incluye objetos de decoración, textiles para el hogar, iluminación y todo un conjunto de complementos con un estilo propio y diferenciado.

Colección Alexandra tiene un concepto del diseño vinculado a la artesanía que está definido por la producción *one to one* de sus referencias, que se refleja en su calidad y exclusividad, lo que se traduce en la armonía final y el glamour de sus ambientes.

After exercising for 20 years as interior designer *Maria Jose Guinot* started along with her two sons in 1994 the ambitious project of designing and manufacturing her own furniture collection from the interior designer's point of view and far from the established norms. The result was named "**Colección Alexandra**".

"Colecion Alexandra" is a modern and dynamic Spanish company creating exclusive and handcrafted furniture with a high customisation degree far-removed from the standard mass production. The collection is not only restricted to furniture but the project also includes decoration accessories, home textiles, lighting and complements in order to get a particular, different and integral CONCEPT.

"Colecion Alexandra" has got a design concept closely linked to handicraft and defined by a sort of production *one to one*. Quality and exclusivity are the main reflects showing harmonic and glamorous ambiences.

COLECCIÓN ALEXANDRA

EL ARTE HECHO MUEBLE

HERITAGE es el catálogo en el que se recoge la interpretación personal de los estilos más representativos de la historia del mueble en Europa: *Barroco, Neoclásico, Imperio e Isabelino*, los cuales sirvieron como fuente de inspiración a Colección Alexandra en los inicios de su aventura creadora, hacia mitad de los 90'.

Pero no solo fue inspirarse en los clásicos, ya que en el viaje emprendido por Colección Alexandra hay un alto componente de las más valiosas técnicas de diseño, innovación y fusión, las cuales han dado como resultado una serie de creaciones exclusivas con el sello personal de la firma.

ART MEETS FURNITURE

HERITAGE is the catalogue gathering the personal interpretation of the most renowned styles of the European furniture history: *Baroque, Neoclassic, French Empire and Elizabethan* which became Coleccion Alexandra's inspiration source in the early beginnings of its creative adventure during the mid nineties.

It was not only the inspiration from the Classics because in Coleccion Alexandra's undertaken journey, the highest component of design, innovation and fusion techniques can also be found giving birth to exclusive creations with our personal imprint as a result.

MARÍA JOSÉ GUINOT

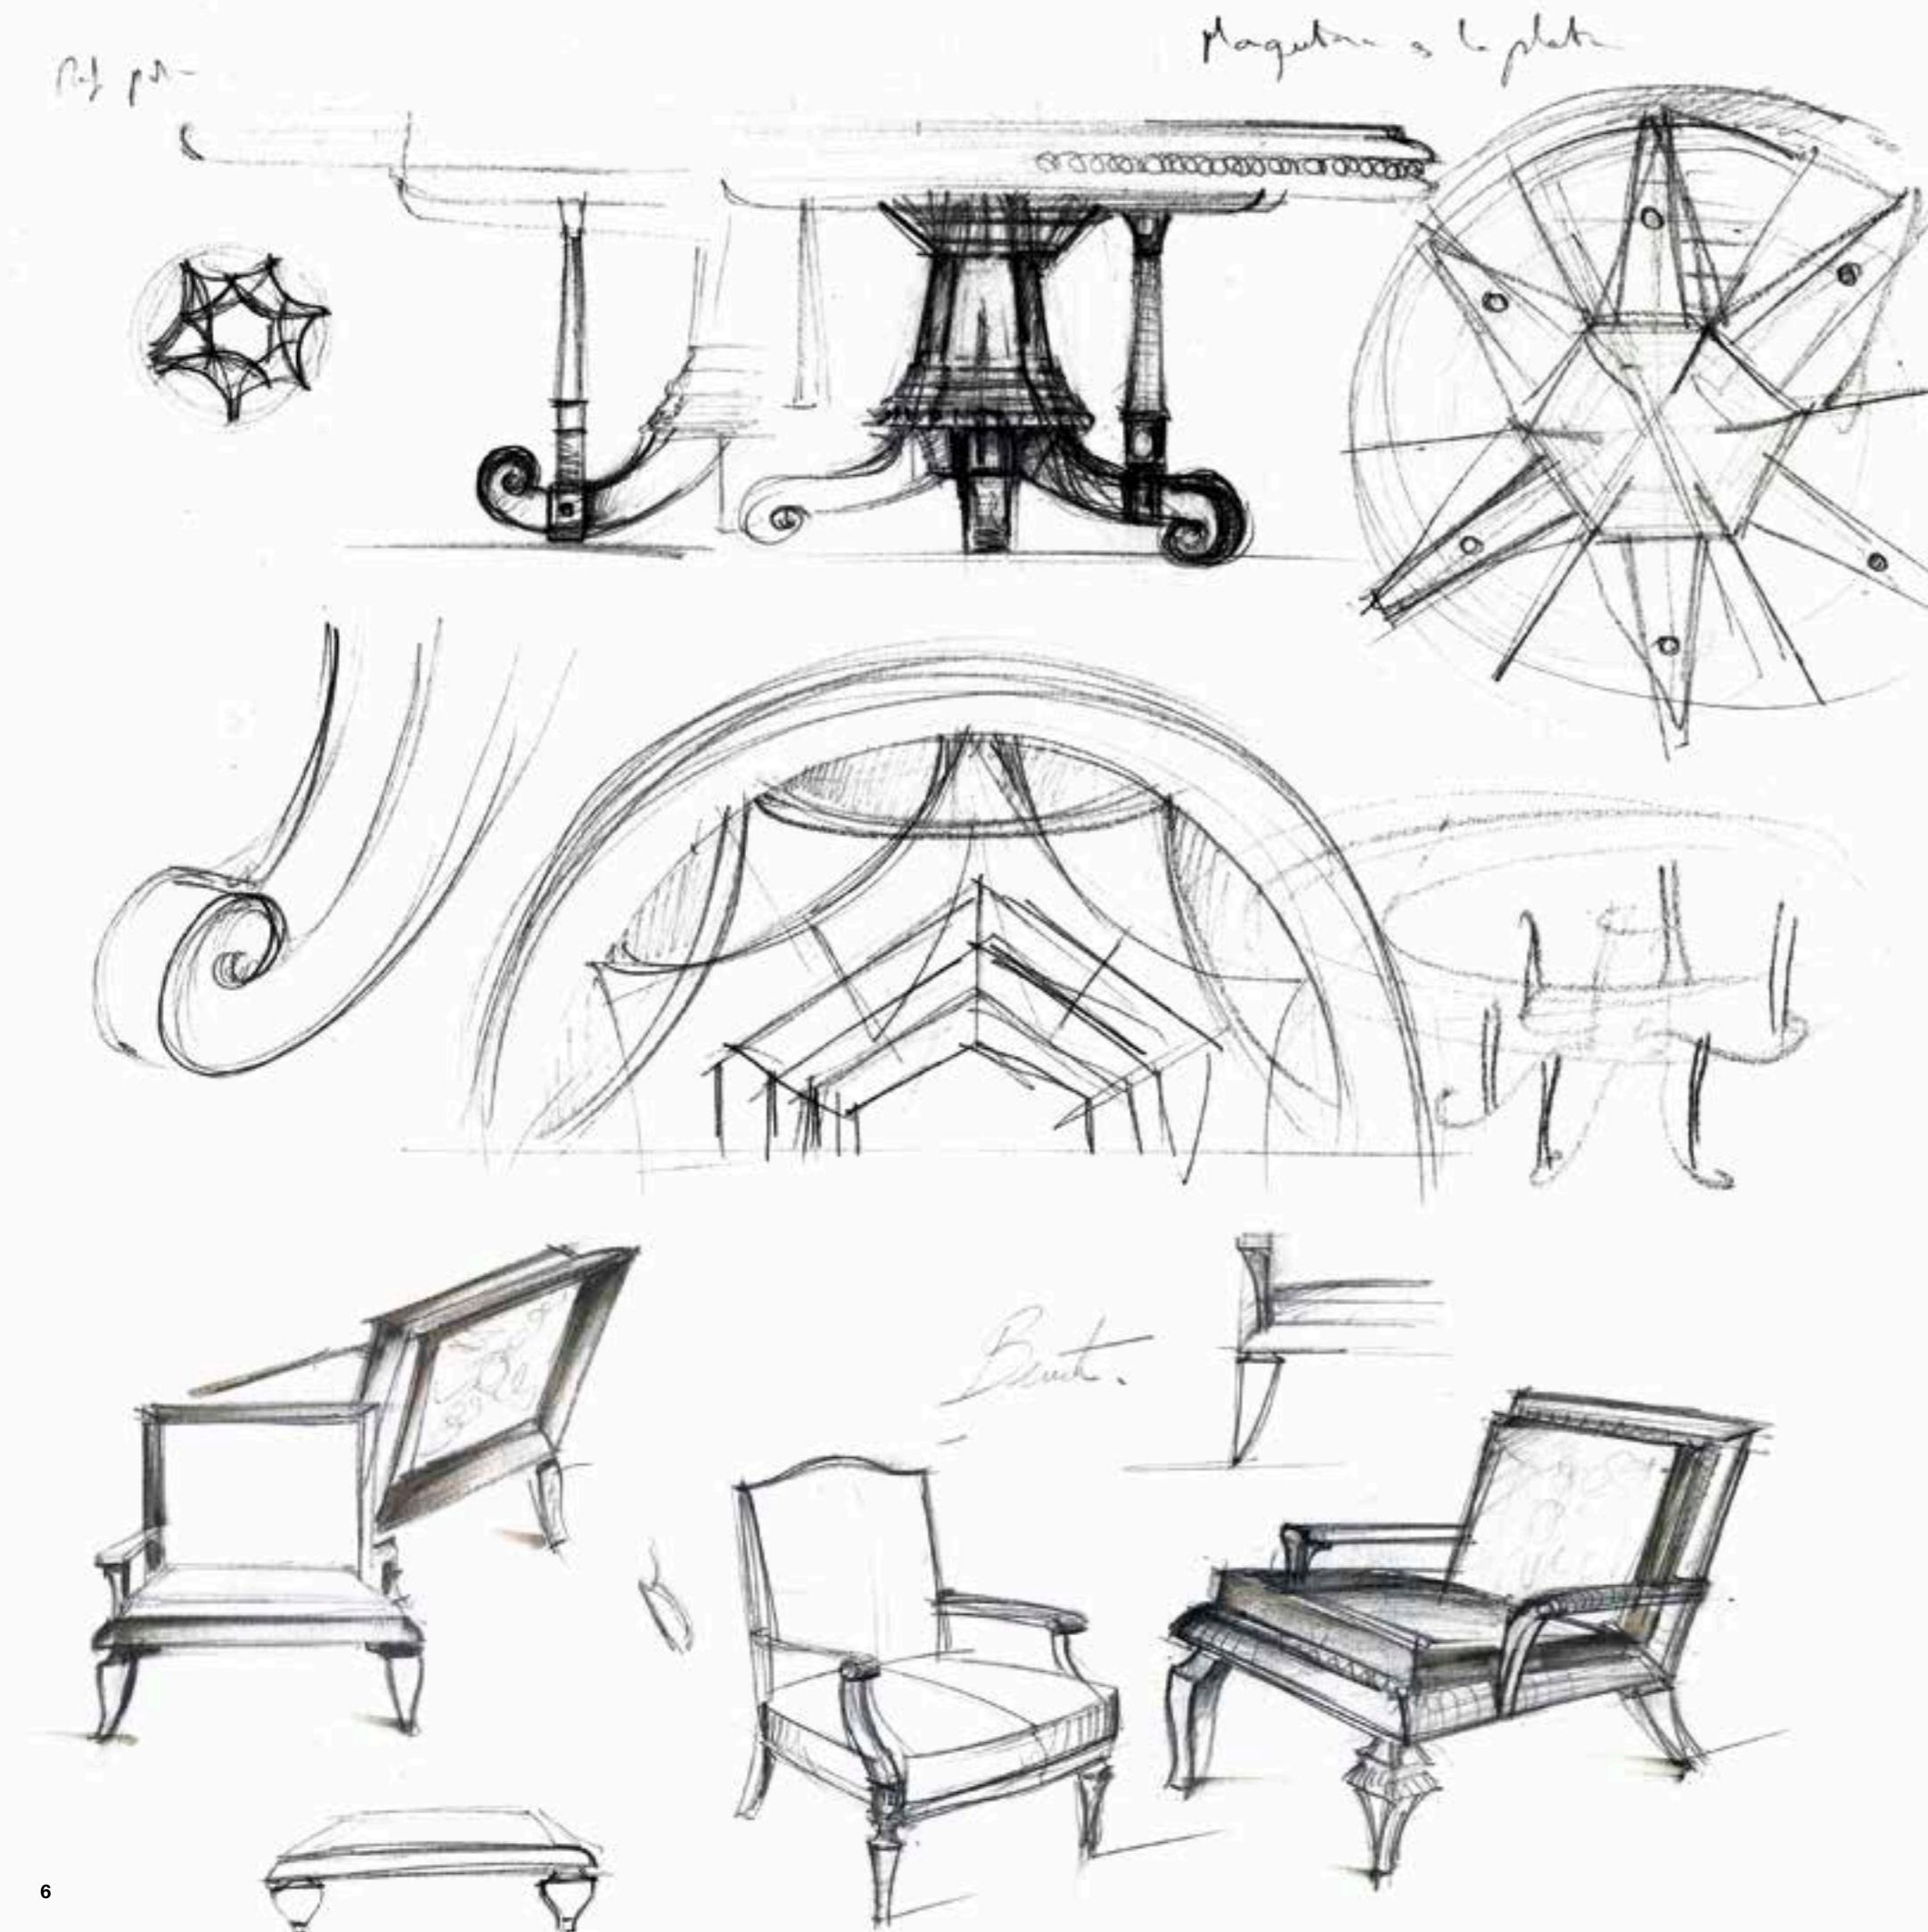

Licenciada en Bellas Artes por la Universidad de Valencia, pintora e interiorista durante 20 años, en 1994 *María José Guinot* emprendió junto a sus dos hijos -*Johnny*, como General Manager y *Jacobo*, como Design Manager- la aventura de crear la firma Colección Alexandra para diseñar y fabricar su propia colección de muebles, la cual se ha ido consolidando y creciendo a lo largo del tiempo.

María José goza de un carácter especial, y a través de sus obras, colecciones y proyectos, transmite esa “alegría de vivir” y “lifestyle” donde prima el cuidado por el detalle.

Graduate in Fine Arts by the University of Valencia, painter and interior designer for 20 years, Maria Jose Guinot embarked herself on the adventure of founding “Colección Alexandra” along with her two sons - *Johnny* as General Manager, and *Jacobo*, as Design Manager-: the aim was creating her own furniture collection which has been consolidating and growing over time.

Maria Jose has a special character transmitting her “joy of living” and “lifestyle” throughout her works, collections and projects focusing on the attention to detail.

DESIGN

ALEXANDRA DESIGN STUDIO

Basados en su larga experiencia como decoradores de interiores, la firma entiende el Diseño como un *concepto integral*, como la coordinación del mobiliario, el textil, la iluminación, la decoración y el contexto para conseguir un conjunto armónico.

Los muebles, accesorios, textiles, iluminación... son desarrollados por *Alexandra Design Studio*, el Departamento Interno de Diseño de la firma, que proyecta, diseña y supervisa el proceso de producción. Este ha sabido mantener el espíritu y la personalidad de Colección Alexandra, así como la fuerza y pasión de su fundadora, *Maria José Guinot*.

Based on a vast experience within the Interiors field, Design is conceived as an *integral concept* focused on the coordination of ideas to get harmonic decorative sets namely using furniture, lighting, accessories, rugs, fabrics, wallpapers...

The above mentioned items are developed by *Alexandra Design Studio* -the Company Internal Design Office- fully projecting, designing and overseeing the production process. This department has pretty learnt how to keep and transmit Coleccion Alexandra's spirit and character as well as its founder *Maria Jose Guinot*'s strength and passion.

CRAFTSMANSHIP

EL VALOR DE LA TRADICIÓN ARTESANAL

Los métodos de fabricación artesanal que emplea Colección Alexandra facilitan la elaboración de piezas únicas en decoración, fabricadas *one-to-one*, y está en óptimas condiciones para dar respuesta a cualquier demanda de los clientes, tales como el desarrollo de artículos de dimensiones especiales o acabados según muestra.

La *personalización* de las piezas es total gracias a la *flexibilidad de la producción*. Dado su carácter polifacético, una misma pieza de la colección, tras seleccionarse las opciones disponibles (acabado, tapizado, piel, sobre, herrajes...) puede dar como resultado un mueble con connotaciones más clásicas o contemporáneas, adaptándose al estilo de cada espacio. Precisamente dicha personalización y flexibilidad le confieren a los productos un alto grado de *Exclusividad*. Cada pieza es prácticamente única.

Y en este orden de cosas está la *Calidad* de la producción, la cual se basa en la nobleza de los materiales utilizados y en los complejos procesos de fabricación llevados a cabo por experimentados artesanos, apasionados por el cuidado de los pequeños detalles, que es el inconfundible sello de Colección Alexandra.

THE VALUE OF HANDCRAFT TRADITION

The traditional handicraft used in our company enables the production of unique decoration pieces manufactured *one-to-one* to meet the most demanding customisation requests as well as the development of items with special dimensions or finishes as per client's sample.

The *personalisation* of items is total thanks to the *production flexibility*. Because of its multifaceted character, a piece belonging to the same collection, after selecting the available options on finish, upholstery, leather top, fittings, etc., may turn a piece of furniture into more classic or contemporary adapting to every space style. It is precisely this customisation and flexibility which confers the product a high degree of *Exclusivity*. Every item is almost unique.

In this regard the *Quality* of our production is based on the used fine raw materials and the complex manufacturing processes carried out by experienced craftsmen taking care of every small detail. This is Colección Alexandra's distinctive mark.
