Salone del Mobile.Milano

17-22 April 2018

Salone del Mobile in Milan is celebrated once a year and hosts a vast concentration of stylish design, quality and excellence that attracts thousands of visitors, both local and foreign. This mythic event, that celebrates its 57th edition, will be hosted in the usual place at Fiera Milano Rho. The Spanish furniture companies are present, one edition more, wishing to introduce their new collections and products.

The **58 Spanish companies** exhibiting at Salone del Mobile.Milano 2018, covering a surface of approximately 7,225 sqm, represent the second largest contingent after Italy. The **Made in Spain** furnishing offer will be present in all main halls with different products and styles: from sophisticated high-end décor to the most avant-garde designs and versatile solutions for sleek in&outdoor spaces.

In halls 14 and 18, **Mueble de España** concentrates new interior collections specifically designed to bring comfort and a natural but elegant feel to every setting. Straight-lined in natural tones or lacquered in trendy colours, always with a vibrant look; Spain's furnishing proposals showcased in these halls allow a high degree of personalisation at affordable prices.

Living room furniture comes in innovative shapes and attractive hues: the spotlight will be on stylish ultra-comfortable maxi modular sofas, with corner and peninsula configurations, and divan components with colourful fabrics, perfect to create a fun chill-out at home. Revolutionary furniture experiments with daring colours and functional lines to add a sense of vibrancy and culminate unique and uplifting spaces for young people.

Find yourself overwhelmed with emotion at Salone del Mobile.Milano 2018 and get inspiration from Spain's modern furnishing trends. *Arrivederci in Milan!*
