DESIGN: ANDREU CARULLA

The Design:

Normal lamps seek for the essential form by simplifying geometry and material. Its classic and basic aesthetic contrasts with the unusual and rustic but at the same time sophisticated material. A collection made entirely in the Empordà with glazed ceramics from La Bisbal.

The collection consists of 4 models: one wireless, two ceiling and a wall sconce that allows us to consistently illuminate multiple spaces. Indoor and covered outdoor use is recommended.

DESIGN:
ANDREU CARULLA

Ceiling hanging ceramic lamp, with direct suspension by cable and wired installation. It incorporates one LED 8,4w of 960 lumens. Suitable for outdoor

SIZE	REF. 723
