

Manuel Larraga

► ML Contract

Our team ML Contract

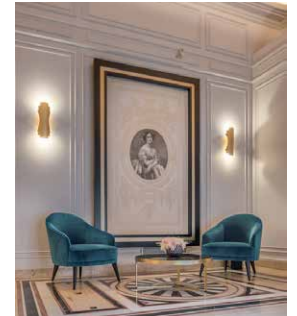

The working team of Manuel Larraga that keeps its personal character and direct approach has learned to adapt to times and to progress adapting itself to new trends, designs and also to its customer's requirements, and currently exports to many countries in Europe and out of it.

Some of these regular customers are architects, or interior designers, with whom we have learned to work into the Contract world, which is today one of our main markets.

Nowadays, we collaborate with international hotel groups, respecting their brand standards and requirements; also with important and recognized international interior designers, with whom we create new models, modify our standards or develop new prototypes. And we also collaborate regularly with procurement companies with which we find solutions for each project, taking into consideration the designs, the standards and the corresponding budgets.

Some of our latest projects in Spain and outside are:

Hotel Boutique James, Colmar / Restaurant L'Escale, St Tropez / Résidence Retraite Les Portes du Jardin, Tonnay-Charente / Hotel Marriott Heidelberg / Hotel Waldorf Astoria Berlin / National Geographic Explorer Boat / Radisson SAS Brussels / Hotel Hubert-Grand Place / Hotel Gstaad Palace / Hotel Schwanen Ennetbaden / Hotel Restaurant Glacier, Grindenwald / Vila Vita Parc, Algarve / Hilton Doubletree Hotel Oradea / Marriott Bucharest Grand Hotel / NH Gran Hotel Zaragoza / NH Nacional Madrid / St Endoc Golf Club, Cornwall / Fairmont Hotel, St Andrews / Hotel Sheraton Mallorca

3D and 2D files

We have got available 3D and 2D files for the use in projects.

More about our products

We are recognized by customers for our flexibility to adapt our products to each project, but always maintaining the strictest quality controls and not renouncing to them even in cases of large quantities or hard delivery times requested, which we always respect.
