EMOTIONS & SOLUTIONS

We create solutions, we inspire emotions

systemtronic

Since 1988 Systemtronic has been manufacturing auxiliary contemporary furniture and developing solutions to cover pending needs of homes and facilities. Systemtronic is synonymous with quality, design, flexibility and excellence.

Our products are manufactured entirely in Europe, certified by AIDIMME and committed to the environment.

The brand has a range of attractive complements, including tasteful timeless pieces with practical details and finishes that combine in multiple spaces.

Systemtronic continues reinventing itself. By observing the market and listening to customer's needs, products are adapted to the demand, developing and offering new solutions.

Our team is dynamic, close and committed, and offering an easy communication to the client, providing personalized attention and excellent after-sales service.

Desde 1988 Systemtronic fabrica mobiliario contemporáneo auxiliar y desarrolla soluciones pendientes por cubrir en el hogar e instalaciones. Systemtronic es sinónimo de calidad, diseño, flexibilidad y excelencia. Nuestros productos son fabricados 100% en Europa, certificados por AIDIMME y comprometidos con el medioambiente. Ofrecemos complementos con apariencia atractiva, piezas de buen gusto y atemporales, con detalles prácticos y acabados que combinan en cualquier espacio.

Systemtronic no deja de reinventarse. Observamos y escuchamos las necesidades del mercado y del cliente para adaptar nuestros productos según la demanda, desarrollando y aportando nuevas soluciones.

El colectivo de Systemtronic es dinámico, cercano y comprometido, y facilita la comunicación con el cliente brindando una atención personalizada y un servicio de posventa excelente.

A whole world of systemtronic

Systemtronic's products have been included in the interior design of countless projects around the world.

Los productos de Systemtronic han sido incluidos en el interiorismo de numerosos proyectos alrededor del mundo.

35 years of timeless emotions

FERNANDO GIL, CEO

Systemtronic have been present in the market for 35 years due to the hard work and effort on satisfying the needs of those who acquire our products, in an increasingly competitive, changing and demanding environment.

If society evolves, so do we, without forgetting our essence: at Systemtronic we create solutions and inspire emotions. Our catalogue caters for all types of spaces and functions, and includes products from very talented designers, as well as key elements developed within the office.

Our daily challenge is the quality of the offered products, that's why we work actively in the training of our employees, in addition to keeping an thorough control of the manufacturing processes in order to find their critical points and apply on them continuous improvement.

La permanencia de Systemtronic en el mercado durante 35 años está avalada por el trabajo y el esfuerzo que ponemos en satisfacer las necesidades de las personas que adquieren nuestros productos, en un ambiente cada vez más competitivo, cambiante y exigente.

Si la sociedad evoluciona, nosotros también, sin olvidar jamás nuestra esencia: en Systemtronic creamos soluciones e inspiramos emociones.

Nuestro catálogo cada vez más se adecúa a todo tipo de espacios y funciones e incluye productos de diseñadores muy talentosos, así como los que desarrollamos dentro de la propia oficina.

Nuestro reto diario es la calidad del producto que ofrecemos, para lo cual trabajamos de forma activa en la formación de nuestros empleados, además de llevar un control exhaustivo de los procesos de fabricación con el fin de encontrar sus puntos críticos y ejercer sobre ellos una mejora continua.

Drop Mini

Mini but with steel soul

13 liter bin. Made of galvanized steel and coated with oven thermoset powder paint. Like all the bin of its series, it includes a galvanized steel inner ring that holds the bag.

The use of 10 liter garbage bags is recommended.

mm · inches

Papelera con capacidad de 13 litros. Fabricada en acero galvanizado y pintada con pintura en polvo termoendurecida lacada al horno. Como todas las papeleras de su serie, incluye un aro interior de acero galvanizado que sujetla la bolsa.

Se recomienda el uso de bolsas de basura de 10 litros.

Drop Top

**“Vision is
the art of
seeing what
is invisible
to others”**

Drop Top

The Drop Top bin with lid partially hides waste. It is identified with a vinyl pictogram for its classification into: glass, organic, general, paper, plastic or aluminum, so that combinations of two or more bins can be made.

Manufactured in galvanized steel and coated with oven thermoset powder paint. It includes an inner ring of galvanized steel that holds the bag. The bin capacity is 62 liters. We recommend the use of garbage bags of 50 liters or more.

La papelera con tapa Drop Top oculta parcialmente los residuos. Se identifica con un pictograma vinílico para su clasificación en: vidrio, orgánico, general, papel, plástico o aluminio, de manera que puedan realizarse combinaciones de dos o más papeleras.

Fabricada en acero galvanizado y pintada con pintura en polvo termoendurecida lacada al horno. Incluye un aro interior de acero galvanizado que sujetla la bolsa. La capacidad de la papelera es de 62 litros. Recomendamos el uso de bolsas de 50 litros o más.

Half-hidden waste

Drop Top Triple

“The magical surprise of finding a lion inside a closet, where you are 'sure' to find shirts”

save the planet

Drop Top Triple

The Drop Top Triple bin allows multiple recycling in a single container thanks to its geometric shape with three compartments, differentiated on the lid.

The three cavities are identified with a vinyl pictogram to choose between: glass, organic, general, paper, plastic or aluminum. Made of galvanized steel and coated with oven thermoset powder paint. It includes an inner ring of galvanized steel that holds the bag.

The total capacity of the three cavities is 120 liters. We recommend the use of garbage bags starting from 50 liters.

**Multiple recycling
3 Compartments
Identifiable**

La papelera Drop Top Triple permite el reciclaje múltiple en un único contenedor gracias a su forma geométrica con tres compartimentos diferenciados en la tapa.

Las tres cavidades se identifican con un pictograma vinílico a elegir entre: vidrio, orgánico, general, papel, plástico o aluminio.

Fabricada en acero galvanizado y pintada con pintura en polvo termoendurecida lacada al horno. Incluye un aro interior de acero galvanizado que sujetla la bolsa.

La capacidad total de las tres cavidades es de 120 litros. Recomendamos el uso de bolsas de basura a partir de 50 litros.

Keep your clothes handy!

Lightness and stability defines this piece. A coat rack formed by two columns of anodized aluminum with a matte silver finish. There are two versions: with casters or with adjustable feet. Its steel base and bottom rail may have a white, black or anthracite gray finish. The upper crossbar has a chrome finish. One of its versions allows adapting a metallic shelf adjustable in height and a cover on the base.

Ligereza y estabilidad definen a este producto, compuesto por dos columnas de aluminio anodizado con un acabado plata mate. Está disponible con ruedas o pies regulables. Su base y travesaño inferior de acero pueden tener un acabado blanco, negro o gris antracita. El travesaño superior presenta un acabado cromado. El Inlin de anchura 758mm permite adaptar un estante metálico regulable en altura y una tapa en la base.
