# THE COMPANY

## WELCOME TO TM/LEADER CONTRACT.

**TM/LEADER CONTRACT** was born in 1982 from a project created by Juan Marco, who founded the company with the intention of designing and producing kitchen chairs in a handcraft way.

Throughout 40 years of experience, **TM/LEADER CONTRACT** has evolved betting on design and innovation, developing a vast range of products to reach the best spaces.

Nowadays the company is positioned as a leader in the contract sector.

PASSION CREATIVITY INNOVATION

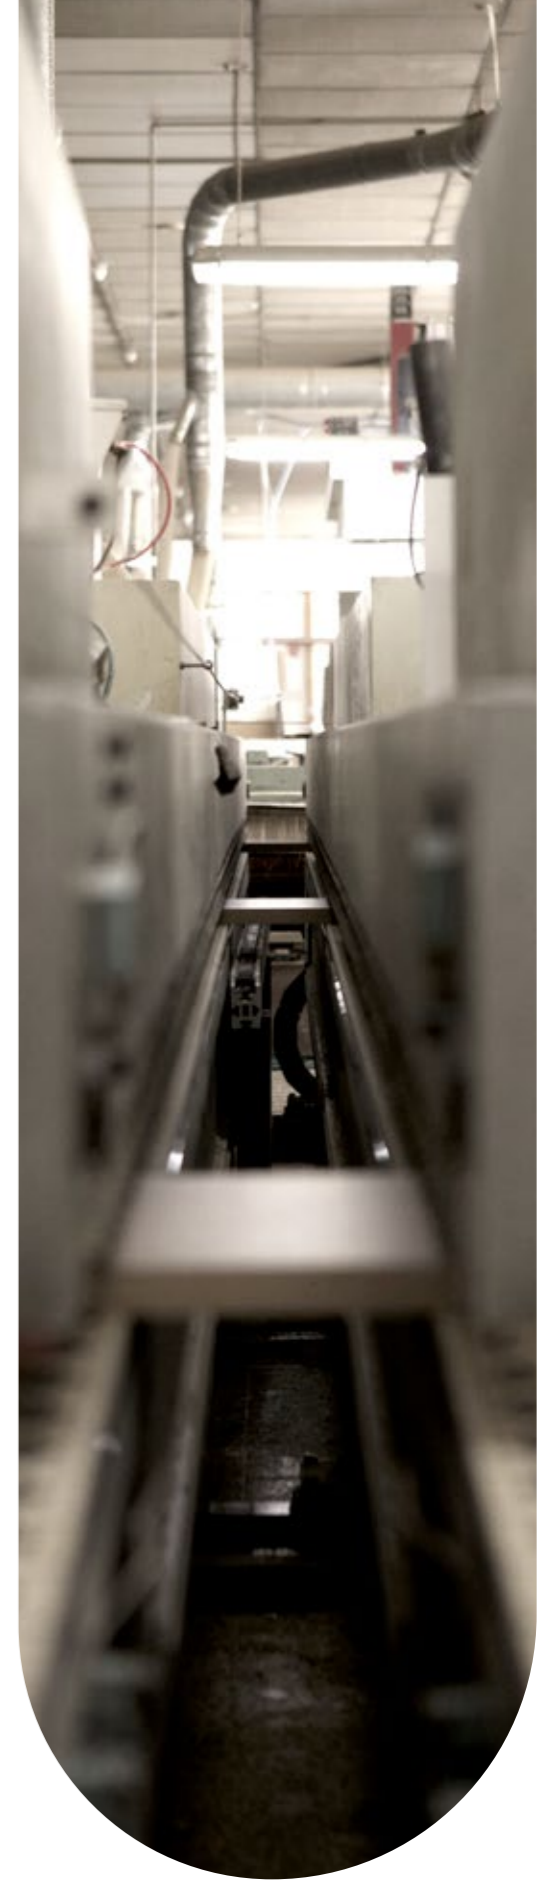

## PRODUCTION FACILITIES

**TM/LEADER CONTRACT** is located in Yecla, Spain.

The company owns more than 26.000 m<sup>2</sup> production facilities.

Thanks to its advanced facilities and own resources, it is capable of carrying out each project from start to finish.

Technologically advanced machinery, innovation and process automation guarantee a quick production, as well as meeting deadlines without losing focus on product quality.

# OFFICES

Its facilities offer an exceptional experience and reflect the capacity to design spaces with a modern and timeless aesthetics, merging high-quality materials with architectural details that evoke exclusivity.

At first glance, visitors are captivated by a sophisticated lobby that simulates the elegant reception of a luxury hotel.
