DESIGN INSPIRED BY THE FINEST MEDITERRANEAN LIFESTYLE

ALEXANDRA FORWARDS 3 consolida la visión de la firma: diseño de autor, vanguardia y un estilo de vida genuinamente mediterráneo. Una evolución que mantiene intactos los valores que nos acompañan desde nuestros inicios en el mobiliario clásico: la elegancia atemporal, la calidad excepcional, la personalización sin límites y el orgullo del made in Spain. Un lujo sobrio, auténtico y sin estridencias.

Nacida en 2022, esta joven línea se ha convertido en la alternativa española al mobiliario exclusivo de diseño, ampliando ahora su universo con nuevas colecciones de marcado carácter mediterráneo.

Desde nuestra sede en la costa valenciana, contamos con el talento de destacados diseñadores del Mediterráneo español -Francesc Rifé, Gabriel Teixidó, Estudi hac-JM Ferrero, Yonoh Studio o Jacobo Ventura- ahora sumado a la incorporación del prestigioso estudio milanés Buratti Architetti, cuya colección Isole simboliza ese mar que une dos culturas hermanas.

FORWARDS se reafirma así como la línea mediterránea por excelencia: una propuesta que celebra nuestro origen, nuestra luz y nuestra forma de vivir... un lujo que nos entusiasma compartir.

ALEXANDRA FORWARDS 3 strengthens the brand's vision: signature design, cutting edge and a genuine Mediterranean lifestyle. An evolution that preserves the values that have accompanied us since our beginnings in classic furniture: timeless elegance, exceptional quality, unlimited customisation and the pride of being made in Spain. A sober, authentic and understated luxury.

Launched in 2022, this young brand has become the Spanish alternative to exclusive designer furniture, now branching out with new collections that have a distinctly Mediterranean feel.

From our head office on the Valencian coast, we bring together the talent of leading designers from the Spanish Mediterranean - Francesc Rifé, Gabriel Teixidó, Estudi hac-JM Ferrero, Yonoh Studio and Jacobo Ventura - now joined by the prestigious Milanese studio Buratti Architetti, whose Isole collection embodies the sea that unites two sister cultures.

FORWARDS thus confirms its position as the Mediterranean line par excellence: a proposal that celebrates our origins, our light and our way of life... a luxury we are passionate about sharing.

Influenced by minimalism and following a familiar tradition linked to craftsmanship, his work focuses on ways of approaching material honesty, spatial order and geometric proportion.

Yonoh Studio

Yonoh se distingue por el progresivo perfeccionamiento de su voz personal, rara vez ha coqueteado en exceso con alguna tendencia estética. Con el transcurso del tiempo, se ha abierto paso con un estilo fino y elegante, resuelto de manera impecable. Y lo han conseguido trabajando para empresas menos interesadas en impresionar y más en aportar, alcanzando un perfecto equilibrio entre su propia voz y el estilo de la firma.

Over the course of time, they have made their way with a fine and elegant style, impeccably resolved. And they have achieved this by working for companies less interested in impressing and more in contributing, striking a perfect balance between their own voice and the style of the firm.

Gabriel Teixidó

Gabriel Teixidó se define a sí mismo como un diseñador "bastante" industrial, ajeno a las modas. Su forma de trabajar, en solitario, da como fruto unos diseños austeros y alejados del exhibicionismo formal. Esta discreción y eficacia le ha convertido en un eterno superviviente dentro del panorama de diseñadores industriales españoles. Teixidó tiene una habilidad especial para convertir sus diseños en éxitos comerciales: "lo que me interesa es que mis diseños sean útiles, que la gente se sienta cómoda con ellos, que sean una ayuda".

Gabriel Teixidó defines himself as a designer who is "quite" industrial, unconcerned with trends. His way of working alone results in austere designs far removed from formal showiness. His discretion and efficiency have made him a permanent figure in the Spanish industrial design scene. Teixidó has a special ability to turn his designs into commercial successes: "what interests me is that my designs are useful, that people feel comfortable with them, that they are helpful".

JMFerrero estudi{H}ac

José Manuel Ferrero fundó estudi{H}ac en 2003 con el objetivo de dar vida a todas las ideas que surgían en su cabeza. La pasión que imprime en su trabajo se palpa desde el primer instante. Discreto, culto, elegante e inmensamente creativo, para Ferrero el diseño es un estilo de vida. Podría decirse que el término británico "Bespoke" es el dogma que rige cada diseño, siendo un referente nacional e internacional.
