# JEWELRY FOR HOME

Discover the world of Nomon, a space where the passion for jewelry and furniture design merge together. An innovative and creative project where the clock and complementary furniture become the protagonists of elegance and sophistication. A style with personality, detached from fads and trends, providing a recognizable and unique identity. We are faithful to noble materials: marble, wood, metal, and classics in our love for craftsmanship. Let's explore together the collections of clocks, furniture and lighting.

Descubramos el mundo de Nomon, un espacio donde se fusiona la pasión por la joyería y el diseño de mobiliario. Un proyecto innovador y creativo, donde el reloj y el mueble complementario se convierten en los protagonistas de la elegancia y la sofisticación. Un estilo con personalidad, ajeno a las modas y a las tendencias que aporta una identidad reconocible y singular. Somos fieles a los materiales nobles, el mármol, la madera, el metal, y clásicos en nuestro amor por la artesanía. Conozcamos juntos las colecciones de relojes, mobiliario e iluminación.

# NIDO COLLECTION

NIDO is born from the desire to envelop and take care for light. Its wooden structure houses a linen lampshade that creates a warm and soft atmosphere.

A piece that is both functional and decorative. It can be used as a side table next to the sofa or as a bedside table, integrating naturally into residential interiors as well as contract projects. The suspended lampshade frees up the interior space, making it fully usable for storage.

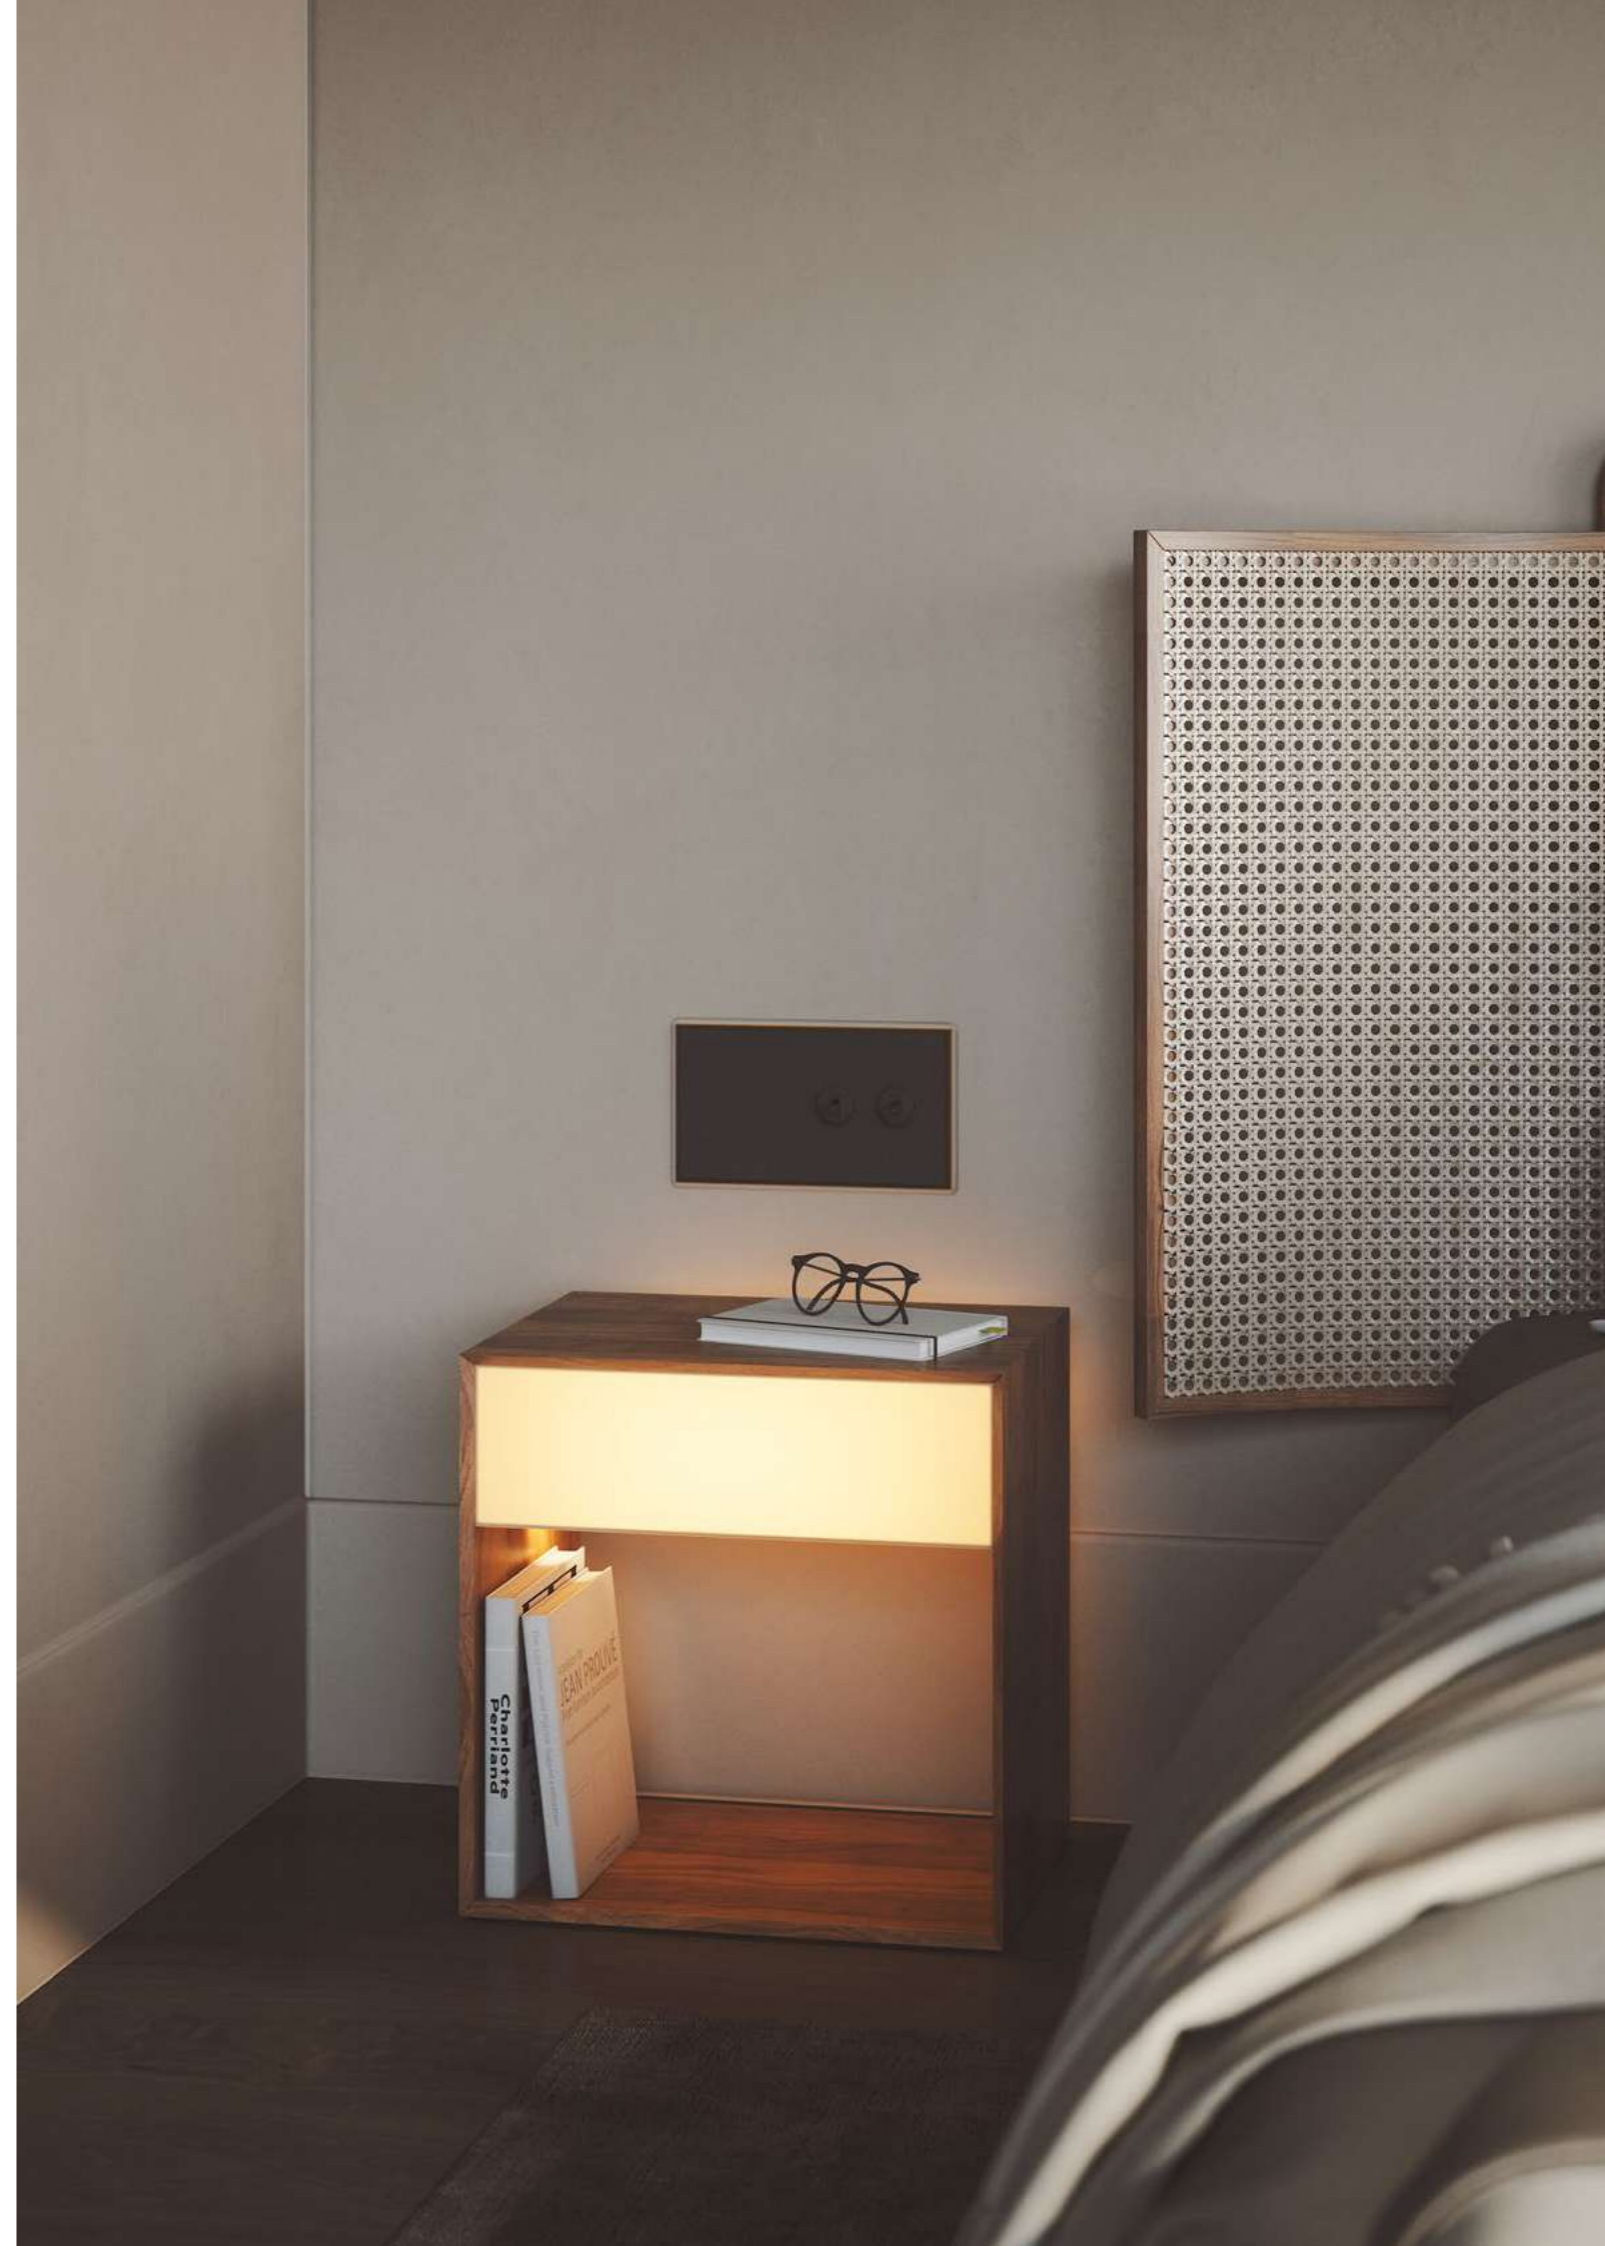

## NIDO

Andrés Martínez

Available in two sizes: a compact version measuring 45 × 45 cm, with the option to be mounted directly on the wall, and a taller version measuring 120 × 45 cm.

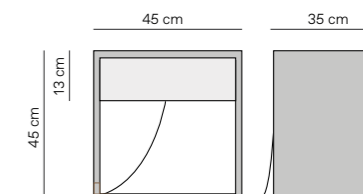

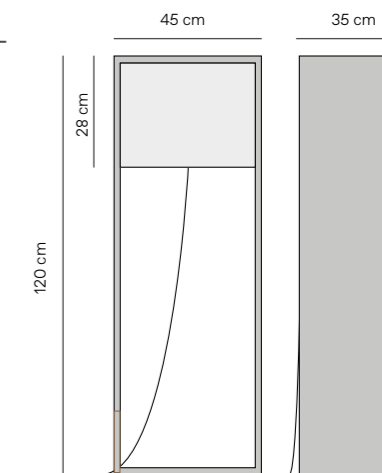

**NIDO** L45cm · H45cm

Model	REF.	Finishes / Acabado
NIDO	----	Structure: Walnut Lampshade: Parchment Cuerpo: Madera de nogal Pantalla: Pergamino

## CATAY PORTABLE

Goula Figuera

A new version of the Catay collection, now in a portable format, designed to adapt naturally to different spaces and uses. It stands out for its solid wood handle located at the top, an element that serves a triple function: structural support, handle and decorative detail, adding character and warmth to the whole. An elegant lamp, now far more versatile and free to move.

Una nueva versión de la colección Catay ahora en formato portátil, pensada para adaptarse con naturalidad a distintos espacios y usos. Destaca por su asa de madera maciza situado en la parte superior, un elemento que cumple una triple función: estructura, mango y detalle decorativo, aportando carácter y calidez al conjunto. Una lámpara elegante y mucho más versátil ahora libre de movimiento.

## CATAY PORTABLE OUTDOOR

Goula Figuera

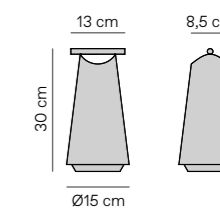

The careful selection of materials, together with its IP65 LED module, provides protection against different weather conditions. The iroko wood handle and the PVC shade allow the lamp to adapt to all kinds of outdoor spaces, from terraces and restaurants to contract environments.

La cuidada selección de materiales, junto con su módulo LED IP65, le aporta protección para las distintas condiciones climáticas. El asa de madera de iroko y la pantalla de PVC permiten que la lámpara se adapte a todo tipo de espacios exteriores, desde terrazas, restaurantes y ambientes contract.

## TAMÍZ L / M

Andrés Martínez

Placed directly on the floor without the need for a base, it adapts easily to any space. Works perfectly next to armchairs or reading corners, and by combining the two sizes, you can create harmonious lighting points in large rooms or gathering areas.

Se coloca directamente sobre el suelo, sin necesidad de pie, adaptándose fácilmente a cualquier espacio. Funciona muy bien junto a sillones o rincones de lectura. Combinando los dos tamaños, son ideales para salas amplias o áreas de encuentro.

## TAMÍZ PENDANT M

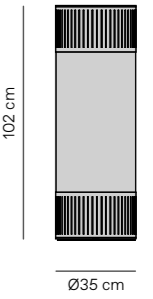

ø22cm · H max 250 cm

Its compact size makes this version perfect for smaller rooms or areas where central lighting is needed without overwhelming the space. Works well over tables, in entryways, or grouped with several units for balanced and pleasant illumination.

El tamaño reducido de esta versión la hace perfecta para habitaciones más pequeñas o zonas donde se necesita una luz central sin recargar el ambiente. Funciona muy bien sobre mesas, en recibidores o agrupada con varias unidades para una iluminación equilibrada y agradable.
