Fluffy

Reimagining Comfort.
Designed for outdoors, Made sustainably

isimar.es

We introduce **fluffy**, a new cushion range that brings a new concept into our designs: comfort. A proposal that elevates each piece into a superior sensory experience, where softness and volume come together to envelop you in exceptional comfort. **Fluffy** is an invitation to enjoy outdoor living with the same sense of well-being, warmth and ease found in interior spaces.

Our cushions are upholstered with high-performance outdoor fabrics, resistant, durable and pleasant to the touch, carefully selected according to strict quality and sustainability criteria. They incorporate quick-dry foams, specifically developed for outdoor use, ensuring excellent breathability and optimal performance even under the most demanding weather conditions. All materials are suitable for intensive use and responsibly sourced, extending the product's lifespan and reinforcing our commitment to conscious, functional and environmentally respectful design.

Lanzamos **fluffy**, una nueva gama de cojines que introduce un nuevo concepto en nuestros diseños: el confort. Una propuesta que eleva cada pieza a una experiencia sensorial superior, donde la suavidad y el volumen se combinan para envolverte en un confort excepcional. **Fluffy** es una invitación a disfrutar del exterior con la misma sensación de bienestar, calidez y comodidad que en un espacio interior.

Nuestros cojines se tapizan con tejidos de exterior de altas prestaciones, resistentes, duraderos y agradables al tacto, cuidadosamente seleccionados bajo estrictos criterios de calidad y sostenibilidad. Incorporan espumas de secado rápido, desarrolladas específicamente para uso outdoor, que garantizan una excelente transpirabilidad y un óptimo comportamiento frente a las condiciones climáticas más exigentes. Todos los materiales utilizados son aptos para un uso intensivo y responsables, prolongando la vida útil del producto y reforzando nuestro compromiso con un diseño consciente, funcional y respetuoso con el entorno.

Fiber filling

Virgin hollow polyester fiber with a helical structure that provides a soft feel, adaptable support, and adequate recovery. 100% recycled.

- 100% recycled
Producto sostenible
- Breathable
Transpirable

Quick dry foam

They incorporate 30 HD open-cell reticulated foam, designed to facilitate moisture drainage and ensure excellent breathability. Its structure allows for fast drying, prevents water retention and maintains a high level of comfort. A premium foam that combines indoor-level comfort with the strength and durability required for intensive outdoor use.

- Quick dry
Secado rápido
- Flame retardant
Ignífugo
- Heat spreader
Disipador de calor

High-Performance Outdoor Fabrics

High-performance fabrics resistant to UV radiation, moisture, salinity and chlorine, ensuring durability, easy maintenance and a pleasant tactile feel. Ideal for intensive use in contract and residential environments.

- Water Resistant
Repelente al agua
- UV Resistant
Protege contra los rayos UVA
- UV, fire and friction resistant
Resistentes rayos UV, fuego y rozamiento

Relleno de fibra

Fibra virgen y hueca de poliéster con estructura helicoidal que proporciona un tacto suave, un soporte adaptable y una recuperación adecuada. De origen 100% reciclado.

- Mildew Resistant
Antibacteriano
- High Durability
Alta durabilidad

Espuma de secado rápido

Incorporan espuma reticulada de célula abierta 30 HD, diseñada para facilitar la evacuación de la humedad y garantizar una excelente transpirabilidad. Su estructura permite un secado rápido, evita la retención de agua y mantiene un alto nivel de confort. Una espuma premium que combina el confort de interior con la resistencia y durabilidad necesarias para un uso exterior intensivo.

- Water friendly
Sostenible
- Mildew Resistant
Antibacteriano
- High Durability
Alta durabilidad

Tejidos técnicos de exterior

De altas prestaciones, resistentes a la radiación UV, la humedad, la salinidad y el cloro, que garantizan durabilidad, fácil mantenimiento y un tacto agradable, ideales para uso intensivo en entornos contract y residenciales.

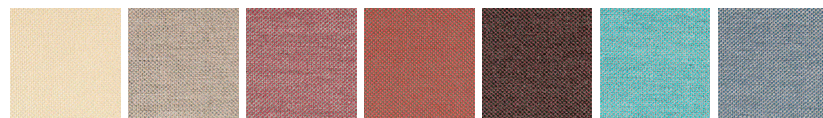

- Electrical insulator
Aislante eléctrico
- Anti-stain
Anti-manchas
- Mildew Resistant
No se pudren
- Easy to clean and maintain
Fácil limpieza y mantenimiento
