

New Mid

**SS/26
Collection**

Meet the  new Mid.
There's a way of  life
Color  that  redefines
character.  Interiors 
 that aren't  just seen,
but  lived. Freedom,
Personality.  Turning 
 everyday into a scene.

The makeup  ritual
Color  on the table. 
Nothing looks  random,
every  touch is chosen.
 Every layer,  imposed
You look.  You hold the
gaze. Not  for them,
but  not just for you. 

Keys  on the table. 
 Still in  control. Black
and white hold  the
noise.  They don't
erase it. You  lean, not
 rest. The room  stays
quiet.  Not  calm.
The life in  contrast.

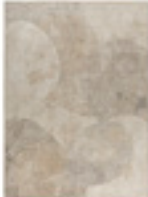

Brown,  **a new way**
of life. Vinyl in  **hand.** 
Nothing  **is random.**
 **The room responds.**
You let it.  **No audience.**
 **No need. You set the**
rhythm. Soul  **essentials**
 **on repeat.**

Meet the new Mid.. There's a new way to live spaces. More freedom. More expression. More personality. Kodu yearbook 26 is not just a collection — it's an attitude. Color that defines character. Shapes that spark conversation. Interiors that aren't just seen, but lived. Between the spirit of a contemporary energy, each setting turns the everyday into a scene. A gesture. A pause. A song. A coffee. This catalogue is an invitation to play with color. To mix moments. To turn your home into a statement.

Conoce el nuevo Mid. Hay una nueva forma de habitar espacios. Más libre. Más expresiva. Más personal. Kodu no es solo una colección, es una actitud. Color que imprime carácter. Formas que provocan conversación. Interiores que no se miran, se viven. Entre una energía contemporánea, Cada ambiente transforma lo cotidiano en una escena. Un gesto, una pausa, una canción, un café. Este catálogo es una invitación. A jugar con el color. A mezclar momentos. A convertir tu casa en una declaración.
